CIRCUIT JUDGE DIVISION

FILED

DANNY ROBERSON,

Plaintiff,

v.

RACHEL HOMOLAK, et al.,

Defendants.

SEP 04 2025

CIRCUIT CLERK  
ST. CHARLES COUNTY

Cause No: 2411-CC00522

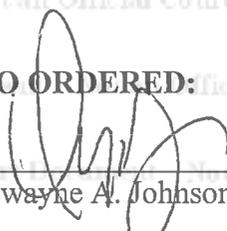

Division No: 7

ORDER

Plaintiff's Petition was filed on May 2, 2024. A summons was issued on May 3, 2024 for Defendant "JW" with the address of said Defendant being "Unknown, Kansas City, MO 64106".

From the Court file, it would appear that either no attempt of service was made as there is no "Non-Est" return in the file or, in the alternative, service was attempted but unsuccessful. In either event, no attempt at service on Defendant JW has been attempted by Plaintiff in the succeeding months to date. As such, this Court on its own motion, dismisses without prejudice Plaintiff's causes of action against Defendant JW for failure to prosecute.

**SO ORDERED:**

  
Dwayne A. Johnson, Circuit Judge
