Kern County certified their official canvass to the Secretary of State on December 8, 2022. On December 9, 2022, Kern County discovered ten uncounted ballots. On December 15, 2022, the Kern County Superior Court ordered Kern County to open the ten ballots and tabulate the votes therein by December 17, 2022, and include the results in the vote totals for the elections in the affected jurisdictions and issue a supplemental certification for those elections. Kern County updated their vote results to the Secretary of State on January 17, 2023. Kern County's vote totals for statewide contests, districts contests, and state propositions have been updated in this Statement of Vote to reflect their amended official canvass. While no election outcomes were affected, the vote counts have changed slightly for statewide contests, district contests that include Kern County, and state propositions.
